

## **Customer Success Story – Hotel Care Unlimited Dynamics 365 Business Central & LS Central Implementation**

CloudFronts helped Maldives-based Hotel Care Unlimited (HCU) to implement Microsoft Dynamics 365 Business Central and LS Central to streamline its operations.

### **About Hotel Care Unlimited**

Hotel Care Unlimited is one of the most reputed hospitality brands in the Maldives known for its Stunning Offers, and quality services at affordable prices.

### **Business Challenges**

Hospitality chains in Maldives witnessed an outburst of tourists post-pandemic. This led to an exponential growth in bookings and highlighted the need for a robust unified ERP solution.

Hotel Care Unlimited was looking for an ERP system to integrate Retail, Inventory & Finance functions into one system.

### **Solution**

CloudFronts LS Central and Dynamics 365 Business Central as an end-to-end system to manage Retail, Inventory & Finance functions.

LS Central drastically reduces financial complexity related to inconsistent financial data and offers a holistic view and centralized control. LS Central's inventory management capabilities have the potential to leverage a mix of manual and automated tools to effectively manage inventory.

To summarise, LS Central is a complete all-in-one retail software that is built within Microsoft Dynamics 365 Business Central, Microsoft's #1 ERP solution globally and brings together in one single platform financials (the Microsoft ERP), Point of Sale (POS), store operations, supply chain management, inventory, eCommerce, and customer loyalty.

### **Key Technologies**

1. LS Central
2. Dynamics 365 Business Central

### **Post Go-live**

Post-Go-live, Hotel Care Unlimited is reporting the benefits of a fully integrated system into one single platform mainly Retail, Inventory & Finance. This enabled them to gain complete visibility into its business.
