Business Challenges

Baglioni Resort Maldives was looking for implementation, post Go-Live support and user training for their Microsoft Dynamics 365 Business Central deployment.

Solution

CloudFronts helped Baglioni Resort Maldives to successfully deploy Microsoft Dynamics 365 Business Central with local taxation setup and provide post-go-live support. In addition, CloudFronts conducted extensive Dynamics 365 Business Central user training for their finance team.

Key Technologies

1. Microsoft Dynamics 365 Business Central

Post Go-live

Post the Go Live, Baglioni Resort Maldives is well equipped and trained on a modern unified ERP platform, Dynamics 365 Business Central and have streamlined its financial processes for success.
